**MOTION TO ENLARGE DISCOVERY DEADLINE**

Now come the parties to the above-referenced action, and move to enlarge the time set for completing depositions and to engage in discovery from July 31, 2006, to September 20, 2006. In support thereof, the parties state that this case and its related actions involve several hundred individuals who have made related claims under the FLSA. The administration of the case, therefore, involves time-consuming discovery, which requires the parties to enlarge deadlines previously established.

Respectfully submitted,
